**Oxygen Deficiency Hazard Signage**

Medical Center:

---

**DANGER**

*If you hear Alarm, DO NOT ENTER; Call Public Safety 305-7979*

*During Work hours also call EH&S 305-6780*

---

**POTENTIAL OXYGEN DEFICIENCY HAZARD**

---

**If Alarm is Activated**

- Assume alarm activation to be valid
- Evacuate all workers in room and close the door
- Call Public Safety immediately; also PI and EH&S
- Be prepared to provide information to responders

- **DO NOT Enter the room**
- **DO NOT** Attempt to rescue anyone, as asphyxiation can be rapid with no warning signs
- **DO NOT** Open door within first hour after the alarm has stopped sounding

---

- Do NOT attempt to repair a faulty sensor. Report it to TechAir (203-792-1834) or EH&S.
